REMARKS

Reconsideration of the application in view of the present amendment is respectfully requested.

The title is amended on page 1 and on page 25 as per the Examiner's suggestion in the Advisory Action dated May 6, 2005.

Applicant notes from the Advisory Action that the Amendment dated April 6, 2005 will be entered. Accordingly, claims 20-25 and 27-30 are pending, and are listed herein.

This amendment may be entered upon a showing of good reasons why it is necessary and was not presented earlier as per 37 C.F.R. Section 1.116. This amendment is necessary to overcome the objection stated in the final Office Action dated March 4, 2005 and the Advisory Action dated May 6, 2005. The amendment was not earlier presented because the Applicant did not know of the Examiner's position with respect to the objection to the title until receiving the Advisory Action.

In view of the foregoing, it is respectfully requested that the present amendment be entered.

Respectfully submitted,

Michael Chan
